MAGPI's 30th Annual Conference

The Mutuals Audit & Governance Professionals Institute's 30th Annual Conference offers a participative and interactive development environment – focusing on areas of strategic and industry relevance to Directors, Finance and Risk professionals, and Auditors working in the mutual space. The conference will also have significant relevance to the many professional firms and businesses that support these organisations.

The conference will be held at the Stamford Grand, Glenelg, South Australia.

This conference represents excellent value given the quality speakers and venue.

The fee entitles each delegate to:

- attendance at all sessions over two days
- morning and afternoon teas and lunches daily
- annual dinner (Thursday 8th June) and drinks.

Speakers' presentations will be made available, where possible, to delegates after the conference.

Each delegate will be responsible for their own accommodation and associated costs during their stay in Glenelg.

Dress throughout the conference and dinner is smart casual; no ties necessary.
